## FKYC Detroit, Oregon

The Frayed Knot Yacht Club was formed in 2008 to promote sailing on beautiful Detroit Lake in the Oregon Cascades. We are currently promoting an annual regatta and an end of summer sailboat race. The annual regatta is held in mid-July and is open to all trailerable, ramp launched boats. This event is hosted annually by Kanes Marina and the Frayed Knot Yacht Club. Overnight or seasonable moorage is available. The end of summer race is held at the end of August as water level allows.

### 9th Annual Detroit Lake Sailing Regatta Saturday July 8 - Start time 12:30
