OWSA was organized in 1994 by the efforts and enthusiasm of local women sailors to promote and facilitate the participation of women in sailboat cruising and/or racing in Oregon and Southwest Washington. General membership meetings feature speakers on sailing topics.

Evening Sailing – Cruising – Racing – Classes

OWSA members cruise with Wednesday Night Sails from mid-May through September and at least one weekend cruise. The Women's Racing Clinic, Women's Regatta and Beer Can races give women an opportunity to learn and test their racing skills

Why Join OWSA?

This not-for-profit organization exists to encourage and empower women to learn, have fun, and enjoy the friendship of sailing. Join us to become more informed about local sailing events, classes and activities.
