The Corinthian Yacht Club of Portland is a not-for-profit organization whose purpose is to:

- Promote, advance and encourage the sport of Corinthian sailing, particularly of yacht racing
- Provide club, education, social, and racing programs for its members
- Hold and take part in sailboat races and regattas with other yacht clubs and associations and to cooperate and associate with them
- Develop the friendship, sportsmanship and good fellowship of its members and the general public

CYC focuses on long distance and offshore racing, and educational events to our community. We are proud to host this year's 42nd Oregon Offshore Race, the Sailing on Sunday Series, Pray for Wind Party, and provide education events to our members.

We are open to members that want to continue to support our events in the sailing community for racers and cruisers alike. We hope you are able to join us!:
