

Race Management Clinic March 10

INVITATION AND INFORMATION

INVITATION: Everyone is invited to attend this FREE workshop brought to you by OCSA. This is a MUST for all those race captains and fleet captains, especially, who will be running regattas or series, as well as any others who expect to serve on a Race Committee boat. This is more important than ever since most clubs no longer are hiring a paid PRO to make the important decisions and need YOU to make the proper call!

DESCRIPTION: This two hour clinic will focus on the planning and coordination involved in managing a sailboat race. You will have the opportunity to learn about topics such as course options, how to factor wind strength, fleet traffic issues, timing, how and when to shorten a course, and more. Speakers will share practical advice from what he has learned over the years. This promises to be essential information for race management, both for the race captain as well as those on the Race Committee boat. Bring your questions!

DATE: March 10, 2018

TIME: 10 AM to Noon, with questions after as time permits.

LOCATION: Willamette Sailing Club, 6336 SW Beaver Avenue, Portland, OR

FOOD: Coffee and tea, and light morning snacks will be available.

FEE: There is no fee for the workshop.

TO RSVP: Please pre-register free by email to commodore@sailocsa.org so we know how many to expect and can be prepared for you.
