COMMODORE: Herb Olsen

VICE-COMMODORE: Dave Graf

SECRETARY: Claudia Barnes

TREASURER: Cheryl Morrissey

RACE CAPTAIN: Marc Milobinski

SHSC was founded around 1978 with the goal to bring a more organized structure to sailing in the Saint Helens and surrounding areas. We offer racing and cruising events throughout the year.

Formal racing takes place in the summer which consists of a Thursday evening summer series. Informal winter racing is on Saturdays. The club holds several cruises throughout the year based mostly in the summer months with a couple of events in the winter. Election of officers and planning of events for the following year occurs at our SHSC Annual Meeting held in November.

Membership in the St. Helens Sailing Club is open to owners of waterborne vessels in good operating condition; both sail and power. Currently there are about 35 boats in the club and we are looking to expand membership. The cost is likely the lowest in the region at \$40 per year per family.

The allure of our club is that anyone can fit in and feel a part of things. Whether you own a sailing dinghy or a world cruiser; whether you plan to sail around the world or just to Sand Island for a potluck, you are welcome! Dues are low, the pressure to participate is minimal and families are welcome.
