Invitation & Description:

This race is one of the most exciting sailboat races in the Pacific Northwest! Sail south through 100 miles of sunshine, blue skies and the most beautiful coastline on the West Coast. From the mouth of the Columbia to the mouth of the Yaquina in Newport, Oregon. The race is handicapped at just under 100 miles that typically includes starlit overnight racing on the ocean. The elapsed time record is held by "Grins" at 10 hours and 45 minutes! This is a Pacific Northwest version of the Ensenada Race.
