

Dave Perry Rules Seminar February 24 and 25

INVITATION AND INFORMATION

INVITATION: All racers are invited to the Dave Perry rules seminar.

DESCRIPTION: Every 4 years, ISAF makes changes to the Racing Rules of Sailing. The North U Rules & Tactics Seminar covers these racing rules (new & old) so you'll understand your rights and obligations in any situation. The rules do more than dictate right-of-way. We'll also explore the tactical options the rules create whenever boats meet on the race course. Dave Perry's North U Rules & Tactics Workbook is included with the course.

ABOUT DAVE: Dave Perry is the author of Understanding the Racing Rules, Winning in One Designs, the 100 Best Racing Rules Quizzes and the North U Match Racing Playbook. An accomplished racer and match racer, Dave was a collegiate national champion and All American at Yale and is the 4x US National Match Racing Champion and 2x Congressional Cup Match Racing Champion. Dave has been teaching seminars and clinics on racing, racing rules and match racing for decades with a particular focus on youth sailing. Most recently, Dave has been the Rules Advisor to the U.S. Olympic Sailing Team in 2008 and 2012, and to Artemis Racing in 2012-2013.
