

# SYSCO Fleet Night February 26

## INVITATION AND INFORMATION

**INVITATION:** Everyone is invited to kick-off a new year of racing at SYSCO Fleet Night! Meet with other members of your fleet, elect a fleet captain, and slam dunk the winter blues with camaraderie, pizza, and BYOB beverages.

**DESCRIPTION:** Fleet Night opens the racing season and is a superb chance for fleets to get together to plan the coming year, learn the latest news, and decide who will lead the fleet. Among the topics of discussion will be the expansion of handicapped racing to all three series which will allow skippers in mixed-boat spinnaker fleets to race either level or under PHRF. A guest speaker will give us the skinny on the high, the low, and the in-between. And, it's the perfect chance to pick up your copy of the 2019 OCSA Racebook, learn about changes to the registration process, updates to the OCSA Racing Instructions, and get a jump on the racing season. Volunteers will be on hand to answer your questions about upcoming races and membership in SYSCO or OCSA.

**DATE AND TIMES:** February 26, 6:30 pm pizza social, 7:00 pm - 8:00 pm meeting.

**LOCATION:** Willamette Sailing Club, 6336 SW Beaver Ave., Portland
