

Race Management Clinic February 29

INVITATION AND INFORMATION

INVITATION: Everyone is invited to attend this FREE workshop brought to you by OCSA. This is a MUST for all race captains, fleet captains, and volunteer PROs who will be running races, as well as any others who expect to serve on a Race Committee boat. This is more important than ever since most clubs no longer are hiring a paid PRO to make the important decisions and need YOU to make the proper call!

DESCRIPTION: This three hour clinic will focus on the planning and coordination involved in managing a sailboat race. You will have the opportunity to learn about topics such as course options, how to factor wind strength, fleet traffic issues, timing, how and when to shorten a course, and more. Speakers will share practical advice from what they have learned over the years. To prepare for the Clinic you may want to review the guidance found at <http://syscosailing.org/resources/SYSCO%20Fleet%20Captain%20Guide%20for%20Racing.pdf> Bring your questions!

DATE: Saturday, February 29

TIME: 10 am to 1 pm, with questions after as time permits.

LOCATION: Willamette Sailing Club, 6336 SW Beaver Avenue, Portland, OR
