Intro to Racing Class
Saturday, March 28th | Portland Yacht Club

➢ Are you a boatowner/skipper who would like to try racing your own sailboat?
➢ Do you have your own sailboat and crew, but have little or no racing experience?
➢ Are you interested in being part of a Race Committee for one or more races? *(Note: this offers terrific exposure to racing. You can also be helpful even without knowledge about racing; so please join us – we would appreciate your assistance!)*
