

Merit 25

Columbia River Fleet

<http://groups.yahoo.com/group/columbiaM25>

Passing on the Passion of Sailing

The Merit 25 is a multipurpose racer/cruiser that sacrifices very little with a large comfortable cockpit and high ballast to displacement ratio make it a confident and stable daysailor with a functional interior that invites weekend cruising. Merits 25's have raced both PHRF and One-Design with outstanding success. Boasting a PHRF-NW rating of 186, these sleek fiberglass racers have a low-wetted surface, high aspect fin keel and rudder, 15/16 fractional rig, and are built to perform for competitive one-design racing.

Everything a Fleet should be... and more

We have social events, coaching for new teams, racing rules seminars, summer cruises, support for new racers, sharing of equipment or crew, and yet at the same time we are highly competitive.

To improve one's ability, you must participate with the best
