

SYSCO Fleet Night February 15

INVITATION AND INFORMATION

INVITATION: Everyone is invited to kick-off a new year of racing at SYSCO Fleet Night! Meet with other members of your fleet, elect a fleet captain, and slam dunk the winter blues.

DESCRIPTION: Fleet Night opens the racing season and is a superb chance for fleets to get together to plan the coming year, learn the latest news, and decide who will lead the fleet. Among the topics of discussion will be the expansion of handicapped racing to all three series which will allow skippers in mixed-boat spinnaker fleets to race either level or under PHRF. We will have a guest speaker. It's the perfect chance to get a jump on the racing season. Volunteers will be on hand to answer your questions about upcoming races and membership in SYSCO or OCSA.

DATE AND TIMES: Tuesday, February 15, 7:00 pm - 8:00 pm

LOCATION: Check the Notice Board for meeting location information

INFORMATION: Send an email to commodore@syscosailing.org. Proof of COVID vaccination is required to attend
